Sworn Statement

Edward Arnold

2917995

Hinton, Alta., October 19th, 1915.

Hon. ARTHUR MEIGHEN, Minister of Interior,

Ottawa, Ont.,

Dear sir,

With reference to my homestead, the NE¼ 12-73-5-6th, I have been informed by the Agent of Dominion Lands at Grande Prairie that my proof would be held at Ottawa and that patent would not issue until after the war. I cannot understand this and I am taking the liberty of briefly stating the facts to you, so that if your agent is mistaken, the matter may be corrected, and that if he is right, you may put me in touch with the proper department of the Government which extends aid to settlers who have lost their crops by frost.

I first visited the Peace River country in August, 1915, when I filed on my homestead. I returned from the United States with in the spring of 1916 with my family and my farming outfit. During the three past seasons, in addition to the crops on my homestead, - cropped over two hundred acres on rented land. In 1917 I had a fair crop, but I suffered a total loss in 1916 and 1915, leaving me financially unable to carry on operations the coming season. I therefore decided to secure patent to my homestead with the idea that I might secure a small loan to tide me over. I have eighty acres broken on the homestead of which twenty acres have been cropped twice. Your local officials expressed themselves as satisfied that I had earned the land, but they raise objection because I am not a British subject. Under your present laws I cannot become a British subject until 1921, though I have declared my intention to become a citizen of your country. Neither could I have become a citizen under the old naturalization law for the reason that at the time it expired I had not resided in Canada the required three years. I have understood, however, that the Government announced that the change in the naturalization requirements would not prevent settlers from other countries from securing patent to homesteads at the expiration of three years from date of entry.

It seems possible to me that your officials have confused a regulation which may be in existence with reference of alien homesteaders of enemy nationality. I cannot see how in fairness this regulation, if it exists, could be made to apply to settlers from an allied country. I was born in the state of Wisconsin in 1854. I am too old to bear arms, but my family is represented in the struggle by a son who upon America's declaration of war volunteered for active service and is still at the front. My other boy is with me on the farm. The Land Agent says my patent will be held up until after the war. I do not see how in fairness the war has anything to do with it.

But if such a regulation is in effect, is'nt there some department of the Government which is prepared to advance me as a frost sufferer as much money as I could obtain by loan if my patent had been given to me? Can you not find some way to help me out, either one way or the other?

Thanking you for anything you can do in my behalf,

I am very truly yours,

Ed [illegible]

MEMORANDUM:

Re frac. S. E. ¼ 30--83--21 W. 5th
containing 10.4 acres, homestead
entry of Henry White, 8th April,

I beg to submit the application made by Mr. White to purchase this small area, included in his homestead for the reason that the area is not sufficient to permit of the performance of homestead duties.

Mr. White, it appears, was under the impression at the time of making entry that he was getting the fractional N. E. ¼ of Section 30, and he went into residence on this land. He states as follows in this connection:-"Built residence in 1912 on what I was informed on March 13th, by Land Agent at Grouard, was S. E. ¼ 30--83--21 W. 5th M., and filed thereon, thinking it to be large enough to homestead; continued residence thereon until I discovered error in December, 1913. As soon as possible, thereafter, I erected present residence. The fraction is too small to homestead, very rough and water difficult to obtain."

The fractional N. E. ¼ of Section 30 stands as a sale, dated the 26th December, 1913, in the name of the Edmonton, Dunvegan & British Columbia Railway Company.

Although it is contrary to the general practice to sell a parcel of this kind, except to the homesteader or owner of adjoining land, it may, under the circumstances,

claim to this quarter section, as Mr. White's entry was made prior to the date of its application.

In February last Messrs. Ewart, Scott, Maclaren & Kelly applied on behalf of Mr. Arthur T. Everest, the registered owner of the S. W. ¼ of Section 30, to purchase the parcel in question, but it was necessary to advise that the land had been entered for as a homestead.

I would point out that there is no access to the parcel in question from the road allowance, also that all the surrounding lands have been patented.

Although it is contrary to the general practice to sell a parcel of this kind, except to the adjoining owner or owner of adjoining land, it may, under the circumstances, be considered that the application should be given favourable consideration, in which case the land should be valued by the Homestead Inspector.

Re frac. S. E. ¼ 30--83--21 W. 5th M., containing 10.4 acres, homestead entry of Henry White, 8th April, 1913.

Mr. Cory please see and report if recommended for sale

The fractional N. E. ¼ of Section 30 stands as vacant, dated the 29th December, 1913, in the name of the Edmonton, Dunvegan & British Columbia Railway Company.

sale dated the 29th December, 1913, in the name of The Edmonton Dunvegan and British Columbia Railway Company, as pointed out in my memorandum of the 19th May last.

In view of our practice of making sales of fractional areas only to the holders of adjoining land, and of the fact that Mr. White has not been fulfilling the homestead duties on his land, I do not think that the Department would be justified in granting his application to purchase; and, moreover, I think that a period of sixty days should be given him within which to go into occupation of his homestead with the intention of complying with the homestead duties, and that he be told that failure on his part to satisfy the local Agent of Dominion Lands at Grouard as to his occupation of the land within that period, will render his entry liable to cancellation without further notice; at the same time he might be given to understand that if he wishes to abandon his entry he will be granted a refund of the entry fee paid and allowed to select as a homestead a full quarter section of any Dominion Lands available for entry.

Respectfully submitted,

Memorandum:-

Frac. S.E.¼ 30, 83, 21, . 5th Meridian, containing 10.4 acres, Homestead entry of Henry White, 4th April, 1912.

I beg to submit for further consideration the application of Mr. White (70 years of age) to purchase the above mentioned land, his homestead.

The particulars in this case are fully set out in the memorandum of the 18th May last, which has been placed directly beneath.

The Homestead Inspector recommends that Mr. White be permitted to purchase the fraction at $10.00 an acre.

For your information I quote in full the Homestead Inspector's report in this matter:-

"Frac. S.E.¼ of 30, 83, 21, . 5th M."

"Log house 14 x 16, value $150.00.

"The above applicant has never lived on the above "described land owing to the fact that he was led to believe "that his present residence was situated on this land, where- "as his present residence is on the S.E.¼ 30, 83, 21, same "township. It appears that this man can neither read nor "write, therefore could not locate himself on the right ¼, "and, upon enquiring of parties working in the immediate "vicinity, they assured him that he was living on the S.E.¼ "of 30, 83, 21, . 5th, and I fully believe some of the parties "who told him that he was living on the land filed on by him "purposely misled him, as one of those parties went so far as "to subdivide the above fraction into town lots in connection "with a subdivision he was making for a real estate firm. "I fully believe that Mr. White was ignorant of the "fact that he was not on the land filed on by him until I in- "formed them during the past winter. I, therefore, would rec- "ommend that Mr. White be allowed to purchase the above frac- "tion at Ten Dollars ($10.00) per acre, and allowed to file "on any other land he may select; for he certainly has been "mislead by unscrupulous parties."

The fractional S.E.¼ of Section 30, on which land the Inspector states Mr. White is at present residing, stands as a

The Agent at Lethbridge included this land in the list he sent the Inspector of the vacant lands in the township. It is evident, therefore, that the land is clear in his records. It is also clear in the records of the Land Patents Branch.

In a report dated 30th ultimo, from your branch these two quarters are shown as reserved for stock watering.

Kindly furnish me with further information regarding this reservation, setting out whether the land should be considered as available for disposition.

We have reports thereon from the Homestead Inspector, who represents the land as Alkali and hardly fit for grazing.

General Inspection of Vacant
Lands in Area "B".

N.W. 21-17-6, W. 4th Meridian.
S.W. 28-17-6, W. 4th Meridian.

The Agent at Lethbridge included this land in the list he sent the Inspector of the vacant lands in the township. It is evident, therefore, that the land is clear in his records, it is also clear in the records of the Land Patents Branch.

In a report dated 30th ultimo, from your branch those two quarters are shown as reserved for stock watering.

Kindly furnish me with further information regarding this reservation, setting out whether the land should be considered as available for disposition.

We have reports thereon from the Homestead Inspector, who represents the land as Alkali and hardly fit for grazing.

It is notified for the information of all concerned that by Order-in-Council passed on the 9th of July, 1917, an entrant who has completed the conditions of his entry and is entitled to the issue of Letters Patent for a homestead, pre-emption or purchased homestead as the case may be, but who, by reason of his services as a member of any of the military or naval forces of His Majesty or of any of the Allies of His Majesty in the present European war, is unable to make the application for such Letters Patent in person as provided by the Dominion Lands Act, may appoint a legally authorized Attorney from whom the Minister of the Interior shall receive the application of the entrant and deal with the same in like manner as though it had been made by the entrant himself in person.

The form of Power of Attorney set out below has been approved of by the Department of the Interior as sufficient for the purpose indicated. It must be signed by the applicant in the presence of his Commanding Officer, who must witness the same.

Applicants are advised to secure the assistance of an officer possessing legal training, in completing the Power of Attorney.

[illegible]
[illegible] Frederick Parsons,
[illegible] Service.

I [illegible] submitted a Power of Attorney in favour of Albert Parsons to enable the latter to make application for patent. This is the first form of the kind I have seen. It was evidently been prepared by the Militia Department, and after consulting your Office I understand that the wording of the form was accepted as sufficient by the Assistant Law Clerk in August last at a time when the Honourable S. L. Bronson acted for a form which would be acceptable to this Office.

Under the circumstances, it would appear that the printed form is sufficient for the purpose for which it is intended. It is practically the same as Form 300 drawn up by this Department. (Copy underneath.)

I presume there can be objection to the Militia Department form.

Respectfully submitted,

Sir,

N.E.¼ 3-36-8 W.4th M.
Francis Bjork.

In reply to your communication of the 17th instant I am to state that when filing on the above described land as a homestead on the 25th April, 1913, Francis Bjork stated that he was born in the country of Sweden, sub-division of Ongenmalon. He stated that his last place of residence was Cranbrook, British Columbia and his previous occupation was lumberman. He also stated that he was a married man with six children.

In his application for patent made on the 28th May, 1917, he stated under oath that he was fifty-three years of age. It would appear that he furnished a Certificate of Naturalization dated the 8th June, 1914. This document was returned to him on the 13th July, 1917, to Veteran Post Office, Alberta.

Any further information you may desire regarding this man's Certificate of Naturalization may be obtained from the Under-Secretary of State, Naturalization Branch, Ottawa.

26th October, 1934.

Sirs,

I have your letter of the 12th instant to the effect that you are endeavouring to locate the heirs of Mr. Bjork and desire to be furnished with the application for patent executed by this man on the 28th May, 1917, in order that you may compare his signature with that of a previous one.

It is not the practice of the Department to allow out of its possession documents of this nature and I, therefore, regret that I am unable to accede to your request.

It is thought that possibly a photostat copy of the part of the application for patent which contains Mr. Bjork's signature would be sufficient for the purpose of comparing signatures and I am, therefore, enclosing herewith a photostat copy of part of the document signed by Mr. Bjork on the 28th May, 1917.

Yours very truly,

[illegible] October, 1[illegible].

[illegible] is Excellency

[illegible] Council.

The undersigned has the honour to report: -

That section 12 of the [illegible] natural resources transfer agreement (ratified and given the force of law by the British North America Act, 1930) provides that all interest in Crown lands in the Province, upon the security of which any advance has been made under the provisions of the Soldier Settlement Act and amending Acts, shall continue to be vested in and administered by the Government of Canada for the purposes of Canada; and

That charges made against the lands hereinafter mentioned, to secure loans advanced under the Soldier Settlement Act prior to the transfer of the natural resources, were recently withdrawn.

The undersigned is of the opinion that it would be in the public interest to place the Province of Alberta in a position to administer these lands along with those which already have been transferred to it, and he therefore begs to recommend that the interest of the Crown in the land in question, which are hereinafter described, in so far as such interest is now vested in the Crown in the right of the Government of Canada, be transferred to the said Province, subject to any trusts existing in respect thereof, and to any interests other than that of the Dominion in the same.

Precis for the Clerk of the Privy Council.

The accompanying Memorandum to Council concerns ten quarter-sections of land in Alberta which were excepted from the transfer of the resources by virtue of the provisions of Section 13 of the Alberta Natural Resources Agreement, since advances had been made upon the security of the lands under the provisions of the Soldier Settlement Act.

The charges made against the lands to secure the loans advanced under the Soldier Settlement Act were recently withdrawn.

In the case of lands in Manitoba, Saskatchewan or Alberta where charges under the Soldier Settlement Act have been withdrawn, it has been the policy to transfer the parcels to the respective Provinces, so that they might be administered along with the properties which were transferred under the Resources Agreements.

This practice has the effect of placing the Provinces of Manitoba, Saskatchewan and Alberta on the same footing as the Province of British Columbia as regards lands in respect of which the charges have been withdrawn, since Section 21 of the Agreement relating to the transfer to British Columbia of the Railway Belt and the Peace River Block is so worded that it operates to vest automatically in the Province the lands on the security of which advances had been made, upon the charges being withdrawn. In the case of Manitoba, Saskatchewan and Alberta, the corresponding section in each of the Resources Agreements excepts the charged lands from the transfer absolutely.

It is recommended in the accompanying Memorandum to Council that the interest of the Crown in the lands in question, in so far as such interest is now vested in the Crown in the right of the Government of Canada, be transferred to the Province of Alberta, subject to any trusts existing in respect thereof, and to any interests other than that of the Dominion in the same.

A description of each of the ten quarter-sections, with a notation of the standing of each parcel, follows. -

Re: Account of Andrew T. Methven
S.E. 22-54-6 W. 5.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 relief amounting to $30.00 was advanced to Andrew T. Methven on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 30.00	$ 57.00	$ 87.00

Patent was issued in the name of Andrew T. Methven for the S.E. 22-54-6 W. 5. on the 28th of June, 1918, subject to the 1915 lien.

In 1929 the land became subject to forfeiture proceedings for nonpayment of arrears of taxes and title has since reverted to the Municipal District of Lac Ste Anne No. 93.

This quarter-section is of low value and the municipality has been unable to dispose of it by sale. It is still vacant and no longer being operated. As such the land no longer offers any security of value for our lien.

Under the circumstances it is recommended that the indebtedness be cancelled and the lien discharged.

W. J. Taylor.

Ottawa, 4 November, 1 4.

Re: Account of Andrew T. Methven
S.E. 22-54-6 W. 5.

The undersigned member of the Seed Grain Advisory Board, having taken into consideration the attached report, approves the settlement outlined therein and does hereby recommend:-

1. That the indebtedness, which is more particularly described in the attached report, be cancelled without the payment of any payment and the liens discharged.

C. K. LeCapelain,
Dominion Member.

Dear Sir;-

re S.E.¼ 31-35-7 W 5th. Your No.393864...,
Re the Brownlie, deceased.

This is a matter section respecting which some of the relatives of the deceased have run into considerable difficulty. Re Margaret Brownlie never took out letters of administration of the estate of her son the said deceased and got tired of paying taxes on the land and deeded it over together with a memo.o in writing that she gave it to her son-in-law one ...Robertson of this city. Mr Robertson took no steps about getting letters of administration of the said estate but sold the land for $2[illegible]0.0, and is now called upon to give title to the same to the purchaser. In the ordinary course it would cost some $150.0 or thereabouts to get the estate administered and the same passed and the property transmitted to the proper parties. Would it be possible that if we were to put together the title a new certificate of title could be issued either to Mrs Brownlie who is the heir-at-law of her said son or to the said Robertson or the purchaser from him? If it was an ordinary case we would not think of writing you about it but [illegible] wife of our client, the sister of the deceased soldier will be the loser, or rather will fail [illegible] benefit from the property of the deceased [illegible] homestead. [illegible] suggestions will you kindly give us we will be thankful,
